Online PR News – 03-August-2012 – Chicago, IL – Dr. Steven Koos, an oral and maxillofacial surgeon specializing in oral and [jaw surgery in Chicago](#), is proud to announce that he has been appointed as a Hu-Friedy Thought Leader. Hu-Friedy is a global company that is a leading dental surgical instrument manufacturer and dental solutions supplier worldwide. National Thought Leaders lecture regularly at major conventions and their names are closely associated with their field of expertise throughout the dental and medical community.

Dr. Koos, owner of the [Chicago Loop oral surgery](#) practice ORA® Oral Surgery & Implant Studio, will be featured within Hu-Friedy's "National Trendsetter" category in both the "implants" and "surgical" sections. A National Trendsetter is a Hu-Friedy Thought Leader who is well recognized in the industry with engagements across North America.

"Dr. Koos joins a select group of opinion leaders at Hu-Friedy who help influence new innovations and the development of dental products within the industry," explains Ken Serota, President of Hu-Friedy. "The individuals who we have chosen to partake in our Thought Leader community have names that are very recognizable and their work is renowned. They are, after all, the leaders of the dental community. Hu-Friedy is honored to be in close association with these individuals." Since 1908, Hu-Friedy has been putting high quality and innovative dental products into the hands of dental professionals worldwide and is one of the world's leading dental instrument companies today. They are committed to advancing dental performance by supporting their products with world class service, support, education, and peer communities.

"Hu-Friedy, and all of the individuals that comprise the company, has created an amazing presence in the dental industry," explains [Chicago Loop oral surgeon](#) Dr. Steven Koos. "I am so fortunate now to be a developmental contributor to their organization." This nomination as a Hu-Friedy Thought Leader is not the first time Dr. Koos has been recognized by a company or organization for his outstanding contributions to the field of oral surgery. The [Chicago oral surgeon](#) has also received numerous accolades for his expertise and his commitment to the practice of environmentally conscious and sustainable dentistry and medicine.

Dr. Koos offers a broad spectrum of services related to oral surgery and jaw surgery in Chicago at his practice ORA® Oral Surgery & Implant Studio. Within his dental clinic, he performs procedures such as dental implants, All-on-4 implants, wisdom teeth removal, corrective jaw surgery, bone grafting, implant dentures, TMJ therapy, treatments for snoring and sleep apnea, and facial and dental reconstruction, among other services. All procedures are performed in a patient-friendly environment that has been designed with a commitment towards environmental responsibility and patient comfort. He consistently adopts the most innovative techniques, procedures and materials and is recognized as a premier Chicago oral surgeon.

###
